**NOTE:** The Ruger 10/22 magazine (BX-1) will fit in the model 77/22 rifle, but the bottom section of the 10/22 magazine will not be flush with the trigger guard assembly of the 77/22. The 9-shot 77/22 Magnum and .17 HMR magazine is not interchangeable with any other magazine, nor is the 6-shot 77/22 Hornet magazine.,

Because it is a serial-numbered component, the frame of a rifle is defined as a “firearm” by Federal Law and is not offered for sale separately.

**BARREL NOTE:** All barrels are marked with safety message. (“Before using gun, read warnings in Instruction Manual available free from Sturm, Ruger & Co., Inc., Southport, CT, USA”.)

Design, specifications and prices are subject to change without notice. The Sturm, Ruger & Company “LOGO”, “RUGER”, “10/22” and “77/22” are registered U.S. trademarks.
